

The Syracuse St. Patrick's Parade Committee is looking to begin a Rosebud Program for girls of Irish heritage, ages 5-12. This will be a non-competitive program to provide young ladies to celebrate their Irish heritage through participation in the parade and other events sponsored by the parade. The Syracuse program will be fashioned after the internationally known Rose of Tralee program. Please complete this application and return via email by January 22, 2017 to roseofsyracuse@syracusestpatricksparade.org. Please note, we expect openings for Rosebuds to fill quickly, so please submit your application quickly to be a part of this year's Rosebud program.
